NCNLA Honors Two Companies with Excellence in the Landscape Awards

NCNLA's Excellence in the Landscape Awards reflect a company's commitment to promote high standards of quality landscape design, installation and maintenance. The program recognizes and awards landscape professionals who execute quality and sustainable landscape projects. In sponsoring the awards program, NCNLA is striving to increase the public's awareness of environmental improvement through landscape contractors' cognizance and commitment to excellence and sustainability.

This year the stunning design/build project shown below netted top honors for Greenleaf Services. Meanwhile, a residential landscape installation by Appalachian Naturescapes (at right) earned the company its fifth EILA award in three years.

DISTINCTION Award

Appalachian Naturescapes, Morganton, NC
Landscape Installation Residential

Carl Meyers and Terrel Knutson with Appalachian Naturescapes receive their Distinction Award

GRAND Award and BEST IN SHOW

Greenleaf Services, Linville, NC
Design/Build Residential

NCNLA President Brad Rollins presents Greenleaf Services with Grand Award and Best in Show honors. Holding the plaque, left to right, are Eric Sorrow, Edward Snyder and Cody Burdiss.
